## About ITES-3H

The Information Technology Enterprise Solutions–3 Hardware (ITES-3H) contract gives customers access to a full range of innovative, world-class Information Technology equipment and solutions—everything from servers and networking equipment to notebooks and video equipment. The Army Computer Hardware Enterprise Software and Solutions (CHESS), in coordination with Army Contracting Command, Rock Island (ACC-RI) manages this contract. In addition to Army customers, ITES-3H is open to all federal agencies and authorized government contractors supporting these agencies.

## ITES-3H Ordering Process

Request for Quotes (RFQ's) over \$5,000 must be submitted using CHESS IT e-mart or by using a reverse auctioning site, such as FedBid. The executed order will be sent by the Ordering Contracting Officer to an Affigent Sales POC.

The ITES-3H Ordering Guide can be found at: [chess.army.mil/Contract/ITES3H](http://chess.army.mil/Contract/ITES3H)
