

A Driving Force in the Federal Space

As a wholly owned subsidiary of Akima, an Alaska Native Corporation, RiverTech is uniquely positioned to support the federal government's critical requirements through OASIS.

RiverTech is an agile, trusted company that offers robust capabilities, deep mission understanding, top CPARs and welcomes the opportunity to support your upcoming mission requirements. Together with its sister companies, RiverTech has offices located across the United States and around the world and can swiftly execute orders of both small and large magnitude. Our team stands ready to support your immediate needs.

Did you know you can issue Sole Source contracts on OASIS 8(a) Subpools?

For DoD customers the threshold was increased to \$100M. No J&A needed.
