

AN AKIMA COMPANY

# A Trusted Partner for Global IT & Mission Support Services

When the stakes are highest, customers turn to Five Rivers Services because we understand the complex and demanding requirements at every stage of the armed forces information infrastructure. From command centers across the U.S. to theater operations on ground, at sea, and in space, we are proud to support the mission critical IT, communications, and security efforts of the Department of Defense.

## Our Capabilities

**Enterprise IT:** Delivering technical and operational solutions in support of customer infrastructure and enterprise IT mission requirements.

- Enterprise Network Architecture, Engineering & Operations
- Network Security/Information Assurance
- System Administration
- Desktop Management

**Satellite Telecommunications:** Complete lifecycle support of mission systems

- IT Operations & Maintenance Services
- Base Operations Support

**Mission Support & Training:** Operational and resource management support for even the most complex global missions

- Operational & Analytic Solutions
- Administrative Support
- Training Support

## Representative Projects

### U.S. Air Force Space Command

Our team provides engineering, information technology, logistics, and administrative support to the Consolidated Air Force Satellite Control Network Modifications, Maintenance and Operations (CAMMO) program in support of the Air Force Space and Missile Systems Center. We support activities associated with operating a large portion of the Air Force's satellite fleet, including data uplink and downlink, command and control, communications, software and testing at eight sites throughout the world.

### U.S. Army NETCOM

Our ITIL and DoD 8570 certified System Administrators and Information Assurance (IA) specialists provide security architecture updates and 24/7/365 monitoring of the U.S. Army's contribution to the Global Information Grid (GIG) and at its key Signal Intelligence center.

## About Five Rivers Services

Five Rivers Services is a wholly owned subsidiary of Akima, an Alaska Native Corporation. Headquartered in Herndon, Virginia, Akima supports a network of over three dozen socioeconomically disadvantaged small businesses through an innovative shared services model that provides business processes and shared back-office support at a level akin to that found in a Fortune 500 defense contractor. This enables Akima's portfolio of companies to operate as a small business in terms of autonomy, customer interaction and decision making, while receiving support from a global enterprise with decades of experience working with the federal government.

DUNS Number: 610777901

CAGE Code: 47JR9

# Driving America's Missions Forward

Akima is a global enterprise comprised of more than 40 small businesses, 8(a) companies, and operating organizations that deliver a broad range of solutions and products to the federal government. As an Alaska Native Corporation (ANC) headquartered in Herndon, Virginia, our portfolio of companies is dedicated to delivering superior outcomes for our customers' missions while simultaneously creating a long-lived asset for our Iñupiat shareholders.

## Our Services

### Facilities, Maintenance & Repair

Comprehensive services for equipment and vehicle maintenance, as well as building support services and management.

### Information Technology

Full spectrum IT product and support services.

### Logistics & Supply Chain

Services designed to optimize and maintain all the links in the supply chain.

### Systems Engineering

Support for the complete systems lifecycle.

### Protective Services

Enhanced security services that strengthen our nation's security.

### Mission Support

Comprehensive professional services to support federal agency missions.

### Furniture, Fixtures & Equipment

One-stop-shop for facility outfitting—from planning and artwork to medical devices and IT.

### Construction

Support for general construction, renovations, civil, marine, and transportation systems.

## Simplified Procurement

The Akima portfolio of companies can swiftly execute orders of both small and large magnitude. We also offer customers the option of direct/sole source contracts with an unlimited ceiling through Akima's portfolio of 8(a) companies. Our team stands ready to support your immediate needs.

### Direct/Sole-Source Contracts

- SBA may award a direct award contract to an 8(a) participant owned and controlled by an ANC
- Quick, smooth transition to full contract operations typically in 30 to 60 days
- No J&A required for awards above **\$100M for the DoD and \$25M for federal civilian agencies**
- Limited potential for award protest
- Small Disadvantaged Business and Native American Credits
- Negotiated fair price

### Major Contract Vehicles

- GSA 8(a) STARS II
- GSA MA
- OASIS Small Business & 8(a) Subpools
- ITES 3S & ITES 3H
- RS3
- Seaport-NxG
